121 4<sup>th</sup> St. N, Suite 2H/I  
Great Falls, MT 59401

Dear Sandor Hopkins, Planner, CFM,

Great Falls Public Schools has received your letter requesting input on the Variance of Cascade County Zoning Regulations 8.6 for 81 Gibson Flats. This request is located within our school district boundaries. The information indicates that a location/conformance permit shall not be issued for any residential structure within a designated floodplain area until a Letter of Map Change (LOMC) has been obtained from the Federal Emergency Management Agency. The following is a response to the information sent to the Great Falls Public School District. We have formulated the questions below to comment on the proposed subdivision.

**1. Does the school district have concerns with this request?**

*As the intent of the hearing is in regards to Floodplain Regulations, this is not an area directly impacting school district operations. Therefore, the school district does not have an opinion nor objection to the request.*

Sincerely,

A handwritten signature in dark ink, appearing to read "Brian Patrick".
